

## **XING Genomic Services Cancer Test Checklist**

- Download, read and understand the Patient Information Sheet
- Download the Test Request Form for the test that is appropriate for you (you may want to discuss this with your doctor)
- Download the Patient Consent Form
- Sign the Patient Consent Form in the presence of your doctor
- Your doctor must also sign the Patient Consent Form

Ensure that your doctor sends to XING:

- the completed Test Request Form
  - the signed Patient Consent Form
  - the histopathology report for your tumour specimen
  - your blood sample, if appropriate to your test
- 
- Pay for your test (can be completed at any time)
